FIG. 3

FIG. 4

This cross-sectional view shows a central vertical structure (300) extending through a substrate (100). The structure is surrounded by a layer (102) and a top layer (110). A bottom contact region (401) is formed at the base of the structure, with a central opening (402) and a surrounding layer (404). The bottom contact region is defined by a layer (410) and a bottom layer (252). The overall width of the device is indicated by dimension D102, and the width of the bottom contact region is indicated by dimension D252. Other labels include 10, 120, 200, 210, 220, 230, 250, 278, 254, 310, 320, 412, and 500.
